

# YELLOWSTONE-TETON CLEAN CITIES

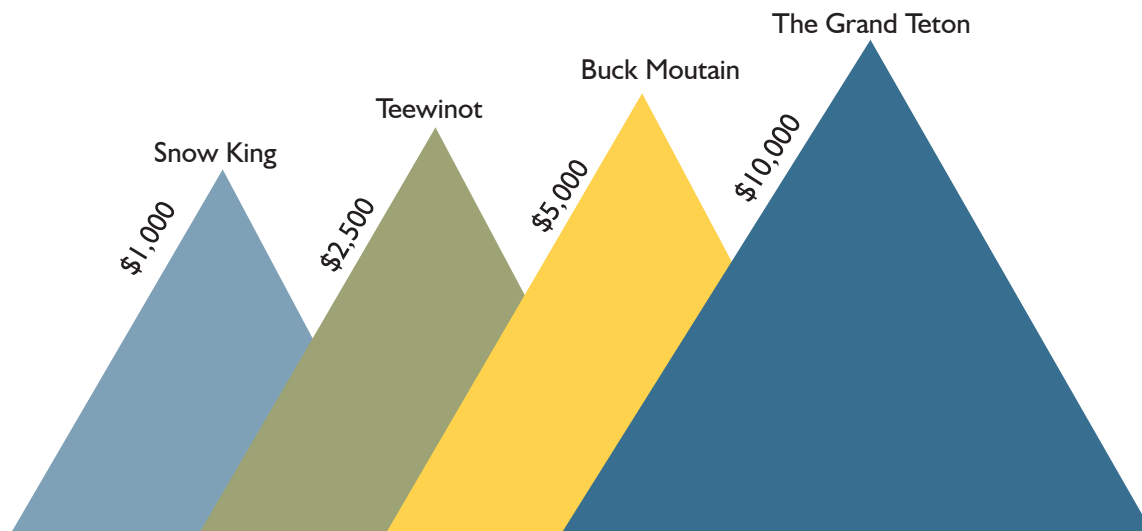

Are you, your company or business interested in being part of the solution to reduce our region’s use of petroleum in the regional transportation sector, increase our energy security and improve air quality?

Then we encourage you to become a member or sponsor of Yellowstone-Teton Clean Cities. As a member you will be provided with information and resources to help make the transition to domestic, cleaner fuel options. You will have the opportunity to network and engage with fleets through the region implementing fuels and technologies to achieve cost savings and reduce greenhouse gas emission.
